

NOTICE

The Director of the Utah Division of Waste Management and Radiation Control (DWMRC) invites comment from the public regarding closure of Building 541 at Tooele Army Depot- South Area. Building 541 was a laboratory connected to a septic system used for disposal of industrial waste. The septic tank, tank waste, related piping and contaminated soil were removed and soil samples were collected following the removal. The sample results indicate all contamination was removed and this site qualifies for unrestricted land use as defined in Utah Administrative Code (UAC) R315-101.

The 30-day public comment period for closure of Building 541 will commence on August 13, 2015 and end September 11, 2015. A public hearing may be held if, within 15 days of publication of this notice a request is made to the Director in writing which meets the requirements of UAC R315-311-3.

Documents related to this application can be reviewed at the following location:
